3.12 SilverBit tokens do not represent any formal or legally binding investment. A buyer of SilverBit tokens should be prepared to expect similar or general fluctuations in the price of SilverBit tokens denominated in BTC or United States dollars ("USD") or currencies of other jurisdictions. Such fluctuations are due to market forces and represent changes in the balance of supply and demand. SilverBit legal entity cannot and does not guarantee market liquidity for SilverBit tokens and therefore there may be periods of time in which SilverBit tokens are difficult to buy. Additionally, due to different regulatory dictates in different jurisdictions and the inability of citizens of certain countries to open accounts at exchanges located anywhere in the world, the liquidity of SilverBit tokens may be markedly different in different countries and this would likely be reflected in significant price discrepancies. By purchasing SilverBit tokens, you expressly acknowledge and represent that you fully understand that SilverBit tokens may experience volatility in pricing and will not seek to hold any of the SilverBit legal entity Parties liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected to, the sale of SilverBit tokens

6.3. You hereby expressly agree that, to the maximum extent permitted by law, the Website Owner or its Affiliates do not accept any liability for any damage or loss, including loss of business, revenue, or profits, or loss of or damage to data, equipment, or software (direct, indirect, punitive, actual, consequential, incidental, special, exemplary or otherwise), resulting from any use of, or inability to use, this Website or the material, information, software, facilities, services or content on this website, from buying the SILVERBIT Tokens or their use by the User, regardless of the basis, upon which the liability is claimed.

Owner shall not be liable for uninterrupted availability of the Website at all times, in all countries or all geographic locations, or at any given time.

6.7. Acquisition of SILVERBIT Tokens does not present an exchange of cryptocurrencies for any form of ordinary shares, and the holder of any SILVERBIT Tokens, issued by the Owner is not entitled to any guaranteed form of dividend or other revenue right.

SECTION 7. DISCLAIMERS

7.1. The Owner cannot and does not guarantee market liquidity for SILVERBIT Tokens. By purchasing SILVERBIT Tokens, You expressly acknowledge and represent that You fully understand that they may experience volatility in pricing and will not seek to hold the Owner liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected to, the sale of SILVERBIT Tokens.

7.2. The purchase of SILVERBIT Tokens carries with it a number of risks, e.g. malfunction of the Ethereum protocol and risk of hacks. Prior to purchasing SILVERBIT Tokens, You should carefully consider the risks listed herein and, to the extent necessary, consult an appropriate lawyer, accountant, or tax professional. If any of the risks are unacceptable to You, You should not purchase SILVERBIT Tokens.

7.3. Should You proceed to purchase any SILVERBIT Tokens and the product fails to be suitable for the special or particular purpose as intended by You, we will not be liable to You for such unsuitability (including but not limited to accepting the return of, or refunding to You the purchase price of the respective SILVERBIT Tokens).

7.4. We make no representations or warranties, whether express or implied, and assume no liability or responsibility for the proper performance of any services, platforms, or the information, images, or audio contained or related to the Website. You use all of the mentioned at Your own risk.

7.5. It is possible there will be few Users of SilverBits and that there will be limited public interest in the mentioned project and dissemination of SilverBits. Such a lack of interest could impact the development of the SilverBit Platform and potential use of it. Therefore, the success of the mentioned project cannot be predicted.

7.6. The User recognizes that the SilverBit Platform is currently under development and may undergo significant changes before release. User acknowledges that any expectations regarding the form and functionality of the SilverBit Platform held by the User may not be met upon release of the mentioned project, for any number of reasons including a change in the design and implementation plans and execution of the implementation of the SilverBit Platform.

7.7. The Owner and its respective development team do not support any unfair or fraudulent practices and confirm their intention to develop and launch the SilverBit Platform. However, due

to the risks associated with cryptocurrency and the digital tokens market (including those described in this Section), the User understands and accepts that while the SilverBit development team will make reasonable efforts to complete the mentioned project, it is possible that an official completed version of the SilverBit Platform may not be released and there may never be an operational platform as described in the Whitepaper.

7.8. We will take reasonable steps to exclude any viruses from the Website, but cannot guarantee or warrant that any material available for downloading from the Website will be free from infection, viruses, or other code that has contaminating or destructive properties. By using the Website, You acknowledge and understand this risk and agree to not hold the Owner liable for viruses.

7.9. We are not responsible for the proper or complete transmission of the information contained in any electronic communication or of the electronic communication itself, nor for any delay in its delivery or receipt.

7.10. Security measures have been implemented to ensure the safety and integrity of any of the services related to the SILVERBIT Token Sale. However, despite this, information that is transmitted over the internet or Blockchain may be susceptible to unlawful access and monitoring.

7.11. The Owner is closely following changes to legislation in the most relevant jurisdictions in the world and undertakes to act accordingly, if changes impact operations of the SILVERBIT Token Sale or the SILVERBIT Platform. The Owner or any of its affiliated entities is not a financial institution and is currently not under supervision of any financial supervisory authority. We do not provide any licensed financial services, such as investment services, fund management, or investment advice. This SILVERBIT Token Sale is not a public offering of equity or debt.

7.12. This document or any other document, produced and signed by Us, as well as the Website, and any of their content does not constitute an offer or solicitation to sell shares or securities.

7.13. None of the information or analyses presented are intended to form the basis for any investment decision, and no specific recommendations are intended, and the Website is not, does not offer, and shall not be construed as investment or financial product.

7.14. We do not warrant or guarantee that SILVERBIT Tokens will be listed or made available for exchange for other cryptographic tokens or fiat money, and no guarantees are given whatsoever with the capacity (volume) of such potential exchange. It shall be explicitly cautioned, that such exchange, if any, might be subject to poorly-understood regulatory oversight, and We do not give any warranties in regard to any exchange service providers. User acknowledges it may not be able, at a given time, to acquire or dispose of its SILVERBIT Tokens due to potential lack of liquidity.

7.15. It is possible that even if the SILVERBIT Token Sale threshold is met, the insufficient funds will not feasibly develop the SILVERBIT Platform, possibly causing the effect that Users may not be able to participate in in the SILVERBIT Platform. By holding SILVERBIT Token, the User acknowledges that he/she understands that while every effort will be made to develop and launch the SILVERBIT Platform, it is possible that it will never be realized due to the aforementioned reasons.

7.16 Risk of Losing Access to SILVERBIT tokens Due to Loss of Private Key(s), Custodial Error, or Purchaser Error; A private key, or a combination of private keys, is necessary to control and dispose of SILVERBIT tokens stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing SILVERBIT tokens will result in loss of such SILVERBIT tokens. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a digital wallet or vault service you use, may be able to misappropriate your

SILVERBIT tokens. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store SILVERBIT tokens, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your SILVERBIT tokens.

7.17 Risk of Uninsured Losses Unlike bank accounts or accounts at some other financial institutions, SILVERBIT tokens are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer, such as the Federal Deposit Insurance Corporation, or private insurance arranged by us, to offer recourse to you.

7.18 Risks Associated with Uncertain Regulations and Enforcement Actions The regulatory status of SILVERBIT tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the SILVERBIT Platform and SILVERBIT tokens. Regulatory actions could negatively impact the SILVERBIT Platform and SILVERBIT tokens in various ways, including, for purposes of illustration only, through a determination that SILVERBIT tokens are a regulated financial instrument that require registration or licensing. Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

SECTION 8. INTELLECTUAL PROPERTY RIGHTS

8.1. The Owner has valid, unrestricted, and exclusive ownership of rights to use the patents, trademarks, trademark registrations, trade names, copyrights, know-how, technology and other intellectual property necessary to the conduct of selling of the SILVERBIT Tokens and its activities generally.

8.2. In no way shall these Terms entitle any User for any intellectual property of the Owner, including the intellectual property rights for the Website and all text, graphics, user interface, visual interface, photographs, trademarks, logos, artwork, computer code, design, structure, selection, coordination, expression, and other content connected to the Website. Arrangement of such content is owned by the Owner and is protected by national and international intellectual property laws.

8.3. There are no implied licenses under the Agreement, and any rights not expressly granted to the User hereunder are reserved by the Owner.

8.4. If any intellectual property registration of the Owner, documentary submission, or other action is required from the User, the User must provide the Owner with the respective assistance.

SECTION 9. APPLICABLE LAW AND DISPUTE RESOLUTION

9.1. All questions concerning the construction, validity, enforcement, and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the laws of the Belize.

9.2. To resolve any dispute, controversy, or claim between them arising out of or relating to this Agreement, or the breach thereof, the Parties agree first to negotiate in good faith for a period of not less than sixty (60) days following written notification of such controversy or claim to the

other Party.

9.3. If the negotiations do not resolve the dispute, controversy, or claim to the reasonable satisfaction of all Parties during such period, then the Parties irrevocably and unconditionally submit the respective claim to the binding arbitration in accordance with the American Arbitration Association rules, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Except for any disputes, claims, suits, actions, causes of action, demands, or proceedings in which either Party seeks injunctive or other equitable relief for the alleged unlawful use of intellectual property, including, without limitation, copyrights, trademarks, trade names, logos, trade secrets, or patents, You and the Owner (a) waive Your and Owner's respective rights to have any and all disputes arising from or related to these Terms resolved in a court, and (b) waive your and Owner's respective rights to a jury trial. The language of the arbitration shall be English.

No waiver of any provision in the Agreement, however, will be deemed a waiver of a subsequent breach of such provision or a waiver of a similar provision. In addition, a waiver of any breach or a failure to enforce any term or condition of the Agreement will not in any way affect, limit, or waive a Party's rights hereunder at any time to enforce strict compliance thereafter with every term and condition hereof.

The Owner may, at its sole discretion, assign any of its rights and/or delegate its duties under this Agreement (including, but not limited any and all intellectual property rights for the all the intellectual property rights objects created during or referring to the SILVERBIT Token Sale, as well as the SilverBit Platform itself) to any third party at any time. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants, and restrictions without including any of such that may be hereafter declared invalid, illegal, void, or unenforceable.

10.5. Communication and notices. Any communication concerning the Terms' execution or violation should be conducted only via email of the User and through the Owner's contact form on the Website. The User's official email for communication shall be deemed the email specified by the User during the Account registration process. The one and only language of the communication shall be English. The User bears the sole responsibility to determine if the purchase of the SILVERBIT Tokens with cryptocurrency or the potential appreciation or depreciation in the value of the SILVERBIT Tokens over time has tax implications for the User in the User's home jurisdiction. By purchasing SILVERBIT Tokens, and to the extent permitted by law, the User agrees not to hold the Owner liable for any tax liability associated with or arising from the purchase of SILVERBIT Tokens. All fees and charges payable by You are exclusive of any taxes, and shall certain taxes be applicable, they shall be added on top of the payable amounts.
